Inauguration of Government Primary School Qila Mian Singh, Nankana Sahib

On 20th April 24, an Inauguration & Open House Ceremony was conducted by MF in Govt Primary School Qila Mian Singh- Nankana Sahib. The ceremony was attended by MF team, ADC (Revenues) Nankana, Mr. Muzammil Ilyas, DEO Secondary Rai Iqbal Kharral, and community leaders. Chairman MF, Admiral (R) Asif Sandila gave keynote speech whereas Dr Naeem Tariq, GM Programmes, shared the progress and impact of MF interventions in Pakistan.

Dr. Farrukh Hasnain, a philanthropist from Pakistan, has generously contributed to support the project. We are grateful for his contributions to our cause of making education accessible for all.

International Mother Earth Day

Mother Earth is facing immense pressure due to the escalating climate crisis. To raise awareness and inspire action, 'International Mother Earth Day' was celebrated across Moawin-assisted schools and Vocational Training Institutes. The events aimed to promote meaningful dialogue among students about the urgent crisis our planet is facing.

Through speeches, artwork, and tree plantation activities, teachers and students explored this year's theme, 'Planet vs. Plastic,' highlighting the need for collective responsibility to protect our planet.

Plantation Week, Baltistan

Moawin assisted schools in Gilgit-Baltistan recently celebrated Plantation Week, aiming to make the region greener by planting trees and enhancing green cover. The activities equally engaged students, staff, and members of the community for collective efforts in addressing challenges of the current climate crisis.

Tree Plantation in Mamunwali

Vocational Training Institute and GGES Mamunwali collaborated on a tree plantation activity with the shared goal of promoting environmental consciousness and sustainability within the community. These activities hold significant importance in the ongoing climate crisis and the preservation of biodiversity. Through the act of planting trees, not only are we mitigating the adverse effects of carbon emissions, but we are also contributing to 'green spaces' thereby enriching the local ecosystem. By coming together to plant trees, we are not just sowing seeds in the soil but also nurturing a greener, healthier future for generations to come."
