MOAWIN FOUNDATION - SCHOOLS ACTIVITIES

Building Trust Through Engagement: Parents Briefed on Moawin's Initiatives in Ubauro

Moawin Foundation briefed parents at People's School Ubauro on key initiatives, including collaboration with Sabaq Foundation, solar system installation, moral education, and student progress tracking. Parents appreciated the efforts, especially the improved learning environment through solar energy.

School Infrastructure Rebuilding Underway in Shujabad

With support from OGDCL, Moawin Foundation is rebuilding infrastructure at Government English Medium High School, Basti Mittu, Shujabad. Education Consultant Commodore Jameel visited the site and urged timely completion to ensure the resumption of academic activities.

Celebrating Success: Result Day Across Moawin Schools in Sheikhpura

Moawin Foundation celebrated Result Day across its adopted schools in Sheikhpura with great enthusiasm. Students were awarded for outstanding performance, while proud parents expressed gratitude for the Foundation's role in transforming education and creating brighter futures.

School Supplies Distributed to 5,401 Students in Baltistan

With the generous sponsorship of **Central Asia Institute (CAI)**, Moawin Foundation successfully distributed essential school supplies to **5,401 students** across **30 community schools** in the Baltistan region. Items such as notebooks, pencils, pens, erasers, sharpeners, and rulers were provided to support students in their educational journey.

The distribution event was attended by MF staff, parents, and community members, all of whom appreciated the Foundation's continued commitment to quality education in underserved areas.

Punjab Culture Day Celebrated with Traditional Zeal

Moawin Foundation-adopted schools in Chakwal, Sheikhpura, Pind Dadan Khan, and Attock came alive with color, tradition, and celebration as students and teachers marked Punjab Culture Day with enthusiasm and pride.

Students embraced their heritage by wearing traditional Punjabi attire, performing folk dances like the Luddi, singing regional songs, reciting poetry, and engaging in vibrant cultural activities. Highlights included cultural displays, games, and heartfelt performances that beautifully reflected the richness of Punjabi traditions.

These celebrations not only brought joy and excitement to our schools but also instilled a deep sense of cultural pride, unity, and connection to our roots among students and staff.

Empowering Educators One-Day Teacher Training Workshop in Islamabad

Moawin Foundation, in collaboration with Panacea for Education, conducted a one-day teacher training workshop at G-9/2 School, Islamabad.

A total of 19 teachers participated in this engaging session, led by Dr. Naveed, focusing on enhancing teaching methodologies and classroom effectiveness.

CEO Moawin Foundation Visits IMCG Chirah to Observe Right To Play Initiatives

Rear Admiral Mirza Foad Amin Baig, CEO of Moawin Foundation, along with his team, visited Islamabad Model School for Girls (IMCG) Chirah to observe the ongoing initiatives by Right To Play.

The visit highlighted the integration of sports into education, where students enthusiastically took part in dynamic activities using dedicated sports kits and interactive learning modules. CEO Moawin Foundation appreciated the program's significant role in enhancing student engagement, promoting physical well-being, and nurturing essential life skills.

Teacher Training Underway for ECD Classrooms in Gilgit-Baltistan

We are proud to share that **116 Early Childhood Development (ECD) teachers** from the **120 ECD Classroom Establishment Project** – a project of the Government of Gilgit Baltistan, funded by **UNICEF** – have successfully completed a two-week intensive training program in six districts: **Gilgit, Hunza, Nagar, Ghizer, Skardu, and Shigar.**

This marks a significant step in enhancing the quality of early education, ensuring that young learners receive the strong, nurturing start they deserve. Together, we continue to invest in brighter futures through education.

Ombudsman Office Representatives Visit Moawin-Adopted School in Ghotki

Regional Director Fazal Muhammad Shaikh from the Ombudsman Office Ghotki, along with District Head Farhan SB, visited one of our adopted schools in District Ghotki. They toured classrooms, interacted with students, and observed teachers in action. They appreciated the school's facilities and the effective educational approach being implemented.

Moawin Foundation remains committed to creating impactful learning environments across underserved communities.

Sharpening Mind: Spelling Bee Competition in Sheikhpura School

Spelling Bee activity was conducted in Moawin Foundation-adopted schools across Sheikhpura.

A carefully curated word list was prepared for Grade 4 and 5 students, with the competition held as an intra-school event at the Girls School in Mehmonwali. As the first contest of the new academic year, it set the tone for a term full of exciting, enriching activities that promote learning through fun and healthy competition.

MEETING & VISITS

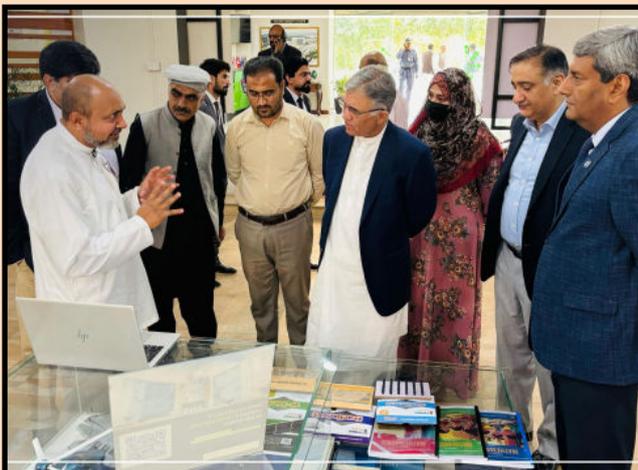

Ms. Wajiha Qamar Minister of State For Federal Education and Professional Training Pakistan Visits to Acknowledge Moawin Foundation's Educational Impact

Minister of State For Federal Education and Professional Training Pakistan, Ms. Wajiha Qamar, met with Chairman Admiral Asif Sandila (Former Chief of the Naval Staff) and the Moawin Foundation team to learn about their nationwide educational and vocational initiatives. The Foundation shared its adoption of 286 schools, training of over 2,200 teachers, and impact on 43,000+ students since 2014. Ms. Wajiha appreciated Moawin's transformative work and extended support for its future efforts.

Moawin Foundation Explores STEM Innovation at NUST

Chairman Admiral (R) M. Asif Sandila, CEO Admiral (R) Foad Amin Baig, and Air Cdre (R) Nasir Hamdani visited NUST, Islamabad, to explore its advanced STEM interventions for possible implementation in Moawin-adopted schools. Hosted by AVM (R) Dr. Rizwan Riaz, the delegation also toured the National Science & Technology Park, engaging in insightful discussions on AI and innovation with Dr. Abid Rafique and Mr. Irfan Sarfraz. The visit marked a promising step toward future collaboration.
