Educate – Train - Empower

E-NEWSLETTER

Moawin Foundation Fundraiser in Houston, USA

The Moawin Foundation hold a fundraiser in Houston USA, with over 200 passionate guests, the event showcased the power of collective action in driving meaningful change.

This inspiring gathering marks another pivotal step in our mission to foster lasting change through education and community development. Special thanks go to Mr Mohammad Hosain and the dedicated team of organizers and volunteers whose tireless efforts transformed this vision into reality.

Their commitment not only ensured the event's success but also highlighted the spirit of unity that defines the Moawin Foundation.

Navy Delegation visit at Moawin Foundation

We had the honor of welcoming a Navy delegation led by Rear Admiral Jawwad, DCNS (Training & Personnel), to the Moawin Foundation's head office in Islamabad.

During this significant meeting, we explored exciting future collaborations focused on enhancing the quality of education in the schools adopted by Moawin Foundation in the E8 Sector, Naval Complex, Islamabad.

We are enthusiastic about the potential impact of these partnerships and look forward to working together to uplift educational standards for our students.

Moawin Foundation Improving Quality of Education

Chairman MF Admiral Asif Sandila visited Head Office of Pakistan State Oil (PSO) to explore collaboration opportunities aimed at improving the quality of education and skill development through Corporate Social Responsibility (CSR) initiatives. This partnership aspires to create a lasting impact by empowering communities, equipping individuals with the knowledge and skills needed to build a brighter future. Together, Moawin and PSO are committed to making a meaningful difference.

Teacher Training

Moawin Foundation and the Teachers' Resource Centre (TRC) engaged in meaningful discussions to explore potential collaboration aimed at improving teacher training and school assessment initiatives. This collaboration represents a significant step towards elevating teaching standards and an environment of continuous improvement in education.

Moawin Foundation Teams Up with Bank of Punjab

We are delighted to announce our collaboration with The Bank of Punjab for the Sadqah Jariyah and Roshan Samaaji Khidmat initiatives. This partnership aims to simplify the donation process, enabling generous supporters to contribute to charitable causes that uplift unprivileged children across Pakistan. Together, we will provide access to quality education and essential skills training, empowering the next generation to build brighter futures.

Moawin Foundation's and Aahung Partnership to Empower Students

Chairman Moawin Foundation Admiral Asif Sandila and Chief Executive Officer Mirza Foad Amin had a productive meeting with Aahung team to explore a potential collaboration on Life Skills-Based Education (LSBE). This partnership aims to equip students with essential life skills, empowering them to navigate challenges with confidence and resilience. By combining forces, we are committed to creating a learning environment that not only focuses on academic excellence but also fosters personal growth and well-being.

Moawin Foundation and Turkish Consul General Collaboration in Education and Skill Development

Moawin Foundation's team met with the Turkish Consul General to explore exciting opportunities for collaboration in education and skill development. The meeting focused on identifying joint initiatives that can enhance educational standards and empower communities through vocational training and skill-building programs. Both parties expressed a shared commitment to fostering growth and development, aiming to create lasting impact by equipping individuals with the tools and knowledge they need to succeed.

Moawin Foundation and Teach the World Foundation Partnership

Moawin Foundation and Teach the World Foundation (TTWF) brought promising developments for expanding educational opportunities. MF Chairman Admiral Asif Sandila, CEO Rear Admiral Foad Amin, The TTWF's CEO Shahryar Lodhi, and team provided a comprehensive briefing to Admiral Sandila on their innovative educational models.

During the meeting, TTWF expressed keen interest in initiating Non-Formal Education (NFE) afternoon classes and confirmed plans to visit FAS Gadap Town soon. This collaboration marks an important step towards making quality education more accessible to underserved communities.

Memorandum of Understanding (MoU) Signing

Moawin Foundation signed a Memorandum of Understanding (MoU) with Deputy Commissioner Kohat, Abdul Akram Chatrali, and DDEO Abdul Hameed Afridi. This partnership marks the adoption of Shakardara Model High School in Kohat.

This milestone represents a strong collaboration focused on enhancing educational quality and infrastructure. With the support of OGDCL, we are poised to make a significant positive impact on the local education system, benefiting students and the community.

Collaborative meeting with Deputy Commissioner Attock

A collaborative meeting with the Deputy Commissioner of Attock at the Moawin Foundation's head office. During this meeting, we provided an update on the adoption of 110 schools under the Punjab Schools Reform Program (PSRP) and discussed the upcoming Vocational Training Institute (VTI) project in Salar, Attock. The Deputy Commissioner graciously assured his full support for both initiatives, reinforcing our shared commitment to enhancing educational opportunities in the region.

MF collaboration with Orange Tree

We are happy to announce that Orange Tree has generously agreed to provide scholarships for deserving students of Moawin Foundation's.

This partnership will play a crucial role in helping our students achieve their educational goals and pursue their dreams. We are grateful for this support and look forward to the positive impact it will have on our community.

Memorandum of Understanding (MoU) Signing

Moawin Foundation has officially signed a Memorandum of Understanding (MoU) with the Punjab Education Foundation (PEF) to adopt 150 schools across Attock, Chakwal, and Taxila. This partnership marks a significant step toward uplifting education standards and improving infrastructure in these regions. Together, we are committed to creating brighter futures for the children in these regions.

Chairman Admiral Asif Sandila visited Islamabad Model School No.1, G-9/2

Moawin Foundation’s Chairman, Admiral Muhammad Asif Sandila, along with CEO, visited Islamabad Model School No.1, G-9/2. During the visit, they engaged with students and teachers, witnessing firsthand the positive outcomes of the Foundation’s ongoing initiatives.

The visit highlighted the Foundation’s continuous efforts to support and uplift educational institutions, ensuring a brighter future for the next generation.

Moawin Foundation UK Team Visited IMSG School Alipur Frash

Moawin Foundation UK team visited the head office, and MF-adopted IMSG (I-V) School in Alipur Frash.

They observed infrastructural enhancements that have transformed the learning environment for students. This progress highlights the dedication and commitment of our team to improving educational facilities.

This visit not only highlighted the progress made in the adopted school but also reinforced the collaborative spirit of the Moawin Foundation in fostering quality education for underprivileged communities.

Empowering women’s through Vocational Training

Ms. Fujisaki, Coordinator of the GGP Unit at the Embassy of Japan, met with CEO Rear Admiral Foad Amin and team Moawin Foundation’s to discuss the establishment of a vocational training institute.

The discussion centered on exploring potential collaborations to empower women through skill development. This initiative holds great promise for enhancing vocational training opportunities and fostering women’s independence.

Empowering Educators in Sheikhpura

Aahung's Youth Champions Initiative assessed its progress in Sheikhpura by conducting interactive sessions with 18 dedicated teachers at Government Girls Community Model Elementary School (GGCMES) Ghazi Minara and VTI Mamunwali. These sessions aim to empower educators with the tools and knowledge necessary to positively impact youth, fostering an environment for academic and personal growth that benefits the entire community.

Free Eye Camp Held at VTI Mamunwali, Sheikhpura

A successful free eye camp was organized at the Vocational Training Institute (VTI) in Mamunwali, Sheikhpura, under the Moawin Foundation’s community welfare initiative with Sight Savers. Specialist doctors attended to 374 patients, providing free eye examinations, eyeglasses, and essential medication.

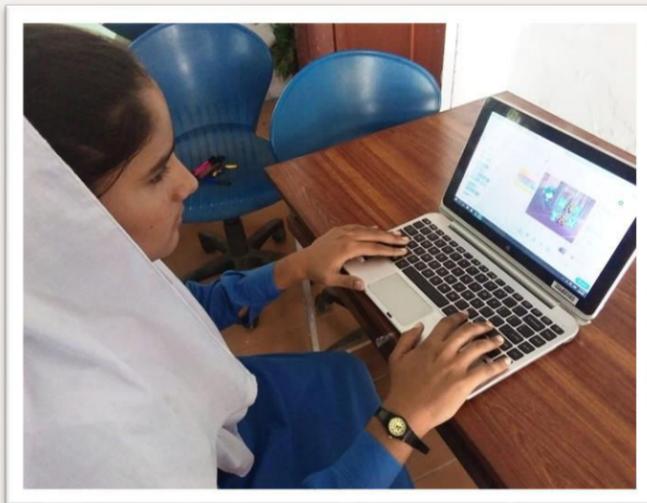

The eye camp not only addressed pressing health concerns but also highlighted the Foundation's ongoing commitment to uplifting underserved communities through accessible healthcare initiatives.

Moawin Foundation Empowers Students with Digital Skills

In a significant step towards bridging the digital divide, Moawin Foundation, in collaboration with Tech Valley, successfully organized digital training sessions for students in Mulhal Mughlan, Dheri Syedan, Sheikhpura, PD Khan, Ghotki, and Ubauro.

These initiatives equipped the students with essential digital skills, empowering them to navigate the digital world confidently. The training reflects Moawin Foundation's ongoing commitment to digital literacy and preparing young minds for a tech-driven future.

Morning Greeting Activity

Our Little Stars from Early Childhood Care and Education class at Ubauro participated in the “Morning Greeting Activity”. This simple but powerful practice play a vital role in shaping positive behavior and developing essential social skills.

We believe that these early experiences are key to nurturing well-rounded compassionate individuals.
