EMPOWERING WOMEN THROUGH SKILLS IN GILGIT BALTISTAN

Moawin Foundation trained 40 women in developing value-added apricot, plum, mulberry & other fruit & vegetable products, equipping them with practical skills to transform locally available resources into sustainable, income-generating opportunities. The initiative aims to promote entrepreneurship, enhance financial independence, and create sustainable livelihood opportunities for women and their families.

EMPOWERING TEACHERS, STRENGTHENING LEARNING

Moawin Foundation successfully conducted a three-day Teachers' Training Session by Academic Department Moawin Foundation in Lawa, engaging 150 female teachers from PEIMA and PSRP schools. The training focused on literacy, modern teaching strategies, assessment techniques, QAT, and remedial planning in Mathematics, English, and Urdu, equipping teachers with practical tools to enhance classroom learning outcomes.

Investing in teachers means investing in a brighter future for every child.

STRENGTHENING TEACHERS, TRANSFORMING CLASSROOMS

The first day of the three-day Professional Teaching Knowledge Course (Part I) was successfully conducted at Model High School, Shakardara. The session focused on Classroom Management, where Moawin Foundation's Master Trainers introduced practical strategies, interactive activities, and effective approaches to create organized and student-centered learning environments. A total of nine teachers gained valuable skills to strengthen their classroom practices and enhance student learning outcomes.

MODERN TEACHING SKILLS FOR MURAD & ZARA FOUNDATION KUCHLAK

Moawin Foundation successfully completed a 4-day training programme on Modern Teaching Skills for Murad & Zara Foundation School Kuchlak Balochistan, equipping 11 teachers with child-centered and innovative teaching approaches. The training covered child development, learning styles, innovative teaching methods, lesson planning, assessment, child protection, storytelling, puppet making, and teacher professionalism.

3-DAYS TEACHER TRAINING PROGRAMME IN GHOTKI

The 3-Day Teacher Training Programme at People's School, Ghotki, concluded successfully, with 62 educators from Ghotki and Ubauro actively participating. Led by Dr. Ashfaq Ahmed Abbasi and Mr. Muhammad Arab, the training focused on key areas including Educational Psychology, Positive Classroom Management, Teacher Professionalism and Ethics, Safeguarding, and Continuous Professional Development (CPD). The programme aimed to strengthen teachers' professional capabilities, enhance classroom practices, and ultimately contribute to better learning outcomes for students.

MEETINGS AND VISITS

PARTNERSHIP TO EXPAND QUALITY EDUCATION

Moawin Foundation has partnered with Sir Syed CASE Institute of Technology to expand access to quality education, STEM learning, scholarships, career guidance, and skills development for underserved students. Through this partnership, we aim to create meaningful pathways to learning, innovation, and opportunity, empowering students to build brighter and more sustainable futures.

STRENGTHENING PARTNERSHIPS FOR LASTING IMPACT

Chairman Moawin Foundation met with Mohamed Yahya, UN Resident and Humanitarian Coordinator in Pakistan, to explore strategic collaboration for vulnerable communities across Pakistan. Discussions focused on education, WASH, nutrition, women's empowerment, and sustainable development, with a shared commitment to creating lasting impact and ensuring children have access to quality education and safe learning environments.

BUILDING PARTNERSHIPS FOR HUMANITARIAN ACTION
